長期照顧 LONG TERM CARE SERVICES

"Because my family member received assistance through long-term care services, I was able to return to work again!"

Long-term Care Services Are Definitely Worth Applying For!

All long-term care service providers are contracted with the government.

Service fees are transparent and publicly available.

How Much Is the Copayment?

Category 1 | **No copayment required**

Low-income households, middle-low-income households, or individuals eligible for living allowance under Article 5, Paragraph 1, Subparagraph 1 of the Regulations on Living Allowance for Mid- or Low-income Senior Citizens.

Category 2 | **Copayment for each service is only 5%-10%**

Individuals not classified under Category 1 who qualify for living allowance under Article 5, Paragraph 1, Subparagraph 2 of the Regulations on Living Allowance for Mid or Low-income Senior Citizens or who qualify for disability living subsidies.

Category 3 | **Copayment for each service is only 16%-30%**

Members of the general public not belonging to Category 1 or 2.

Long-Term Care Service Procedure

1 Consultation

- Contact your local long-term care management center
- Consult the Hospital's Discharge Planning Service During Hospitalization
- Call the 1966 Long-Term Care Hotline
- Search online

2 Assessment & care planning

Confirm long-term care service level → Confirm long-term care benefit amount → Develop a personalized care plan

3 Receive services

- Care and professional services
- Respite care services
- Assistive devices and home accessibility improvements
- Transportation services

4 Service changes

- When a recipient's long-term care eligibility category changes, the care management center or community integrated service center shall revise its care plan, effective on the date of the change.
- If a contracted long-term care provider delivers services in response to urgent or temporary care needs before formal approval, the provider shall notify the community integrated service center immediately to formulate a care plan. Payment may only be claimed after approval by the care management center.
- Service recipients or their family members are encouraged to proactively notify the authorities of any changes (via 1966 or through the A-level case manager).
