Notes

1. Growth rates represent % of increase over same period of previous year.
2. In the Category One Insured Unit, there are 203 thousand units that are social service foreign labor units (refer to insured units of families that employ foreign housekeepers or caretakers).
3. The premium receivables do not include supplementary premiums, the shortage of the 36 percent of the annual health insurance budget, the lowest amount which should be burdened by the government according to law, and delinquent charge receivables.
